Confirming receipt.

Enjoy the hug; they grow up fast (and then they're on electronics all day).

Dave,

Attached is Plaintiff, Lisa Barbounis's Responses to Defendants' Second and Third Request for Admissions. I am going to try and get you Caitriona's tonight too but it might be tomorrow. My two year old is bear-hugging me as I am drafting this email.

Can you please confirm receipt by email again for the same reason I provided last night. I do not have a printer and set up to serve via mail currently.

Dave,

Attached please find Plaintiff, Patricia McNulty's Responses to Requests for Admissions along with a Verification and Certificate of Service.

Requests for Admissions must be served. Email service is not sufficient service for Request for Admissions. Just FYI, for argument's sake.

I am fine with providing responses to the requests for admissions that you sent. I am not going to try and make you serve them all over again. I will send Caitriona and Lisa's ASAP. I may need until tomorrow. I did not have the opportunity to speak with them today. I still have more work to do before I leave so I will try to get them to you tonight.

I appreciate your working with me.

Those dates work. We disagree that they're weren't served but it's moot because we will give you until today anyway. OK for Friday for the rest of discovery.

Also, please check the McNulty responses. They have my signature on them and a COS to be sent to you (rather than me).
